

Northwest Marine Trade Association Acquisition of Active Membership

When a member has been acquired by another member, and subject to approval by the Board of Trustees, the acquiring member may receive the space allocation benefit of the acquired members MIS data (Seattle Boat Show application). Acquisitions not operated as an ongoing business enterprise for a period of two (2) years will result in a loss of the acquired space allocation. Proof of acquisition, satisfactory to the Board of Trustees, is required for combining member space allocations. Acquired members may only be sold with their original acquired member space allocation found on the MIS (Seattle Boat Show application).
